

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF OHIO
EASTERN DIVISION

Curtis Al'Shahid,

Case No. 2:18-cv-33

Plaintiff,

Judge Michael H. Watson

v.

Chief Magistrate Judge Deavers

Stuart Hudson, et al.,

Defendants.

OPINION AND ORDER

On January 29, 2020, Chief Magistrate Judge Deavers issued an Order and Report and Recommendation ("R&R") denying Plaintiff's motion to strike, denying Plaintiff's motion for leave to file an amended complaint, and recommending that Plaintiff's motion for summary judgment be denied. R&R, ECF No. 50.

Chief Magistrate Judge Deavers notified the parties of their right to file objections to the R&R pursuant to 28 U.S.C. § 636(b)(1). *Id.* at 13. She also specifically advised the parties that the failure to object to the R&R within fourteen days would result in a waiver of both the right to *de novo* review by the District Judge and the right to appeal the decision of the District Court adopting the R&R. *Id.*

The deadline for filing such objections has passed, and no objections were filed. Having received no objections, the R&R is **ADOPTED**. Plaintiff's motion for summary judgment, ECF No. 27, is **DENIED** in accordance with the R&R.

IT IS SO ORDERED.

/s/ Michael H. Watson
